Subject: R8 Conference Call info

From Lisa McClain Vanderpool (NB: Rich Mylott is NOT in the office today).

“EPA’s Region 8 Office will be holding a conference call on the Colorado River spill at 2:20 PM Mountain Time (1:20 Pacific, 3:20 Central, 4:20 Eastern). The conference call-in info is as follows:

Nonresponsive Conference Code

In addition, those interested can view a live-streamed public meeting on this issue today at 1:30 PM Mountain time (12:30 Pacific, 2:30 Central, 3:30 Eastern) by visiting

www.co.laplata.co.us, then going to the “Meetings” tab.”

Lisa has asked me to share that info with reporters.
